

ip colloquium ²⁰¹⁶

Dear Ken,

If you happen to be near Bloomington on any of the dates below, we hope you will consider attending a session of our fall 2016 IP Colloquium. The focus of the semester will be "Issues in International and Comparative Intellectual Property" and will feature prominent scholars whose work has significant implications beyond our borders. I'm thrilled once again to bring in experts to discuss vibrant and critical issues with our students. The IP Colloquium is one of my favorite classes to lead.

There's no cost to attend the IP Colloquium, which takes place from 1:15-3:15 p.m. in Room 214 of Baier Hall. Two hours of Indiana CLE credit have been approved for each session. I hope to see you this fall.

Sincerely,
