IP Externship with CMG Worldwide

CMG is accepting applications for the spring 2016 semester.

The CMG legal department focuses on protection and promotion of intellectual property rights. Main law clerk responsibilities include contract drafting, negotiating and finalizing licensing and permission agreements, researching legal issues, managing clients’ intellectual property portfolios, and pursuing and settling publicity rights, copyright, and trademark infringements.

The CMG legal department particularly values motivated, flexible team players that take pride in their work, are skilled at conflict resolution, and have strong writing, verbal, and research skills.

*International students are welcome to apply for this position. Hiring decisions will be made by externship hosts.
